

## **We have inaugurated our new facility!**

In an exciting ceremony, we were honored to have our entire board present to inaugurate our offices. Our door is always open, don't hesitate to drop in!

The front desk of MEDX Xelerator

Dr. David Knapp, VP Corporate Research, Boston Scientific and Jonathan Goldstein, Director, Corporate Research and Ventures, Boston Scientific placing the Mezuzah on our front door

Toasting for our new home (right to left) : Dr. David Knapp, Shai Policker, CEO of MEDX Xelerator and Harel Gadot, Chairman of MEDX Xelerator

Dr. Sylvie Luria, CEO of Tel Hashomer Technology Company, enjoying a break between meetings

The team at work – Edna Lazar, Chief Business Officer  
Simon Sharon, Chief Technology Officer and  
Shai Policker, CEO
